advised of final disposition.	
Talked with Mr. C. William	25X1
Kontos, Director, Office of Personnel Administration, AID, concerning	
his testimony before the Boune Labor Committee on FECA dollar limits-	
Home. Mr. Ecotos said they would not submit draft language to remove the	
dollar maximum for these employees verving under herardone conditions as	
suggested by Congressman Roman Pucinski (D., 1h.). They are, however,	
submitting for the record language which could be used to identify employees	
failing in "hazardous duty situations" as requested by Congressions Fackinski.	
Mr. Kontos said he would send this language to us for our information, for	
which I thanked him.

and said the only problem would be the reluctance to change any retirement systems until the Cablact Committee on Federal Zetirement Systems completes its study and submits its recommendations on I December 1965. Mr. Jasper did agree, however, that we were not suggesting a radical change but morely coming into phase with recent Administration policy. He said be would call us if any problem developed, and I thanked him for any expeditious consideration they can give.

I told Mr. Lucey that tomorrow we would probably be getting in touch with Mr. Stephen Schott, Stall Assistant, State Department, to inform them of the outcome of the meeting with the Subcommittee stall members in response to Mr. Schott's earlier request on this matter.

15. (Internal Use Only - LLM) Mr. Paul Zurkowski, Legislative Assistant to Representative Robert Eastenmeier (D., Wis.), called to say that the Congressman is considering the invitation to meet with the Director and said that the Congressman would like to have some background material on the Agency as proviously suggested. This will be sent over.
